

500 Series

.5-150 PSI

FLOW AT CRACKING PRESSURE

Elastomeric seals 5cc/min
 Teflon® .02 scfm

CRACKING PRESSURE TOLERANCE ± 5 %

Cracking pressure on initial crack may be higher than cracking pressure tolerance due to inherent characteristics of seals.
 (Consult factory)

LEAKAGE Ascending Pressure

Standard seals 0 to 95% of C.P.
 Silicon (524) & EPR (562) 0 to 80% of C.P.
 Teflon® (520)*

Cracking pressures up to 2.4 PSI – 4cc/min at 0 to 50% of cracking pressure

Cracking pressures 2.5 PSI and higher – 1cc/min at 0 to reseal pressure, 10cc/min from reseal to 90% of cracking pressures.

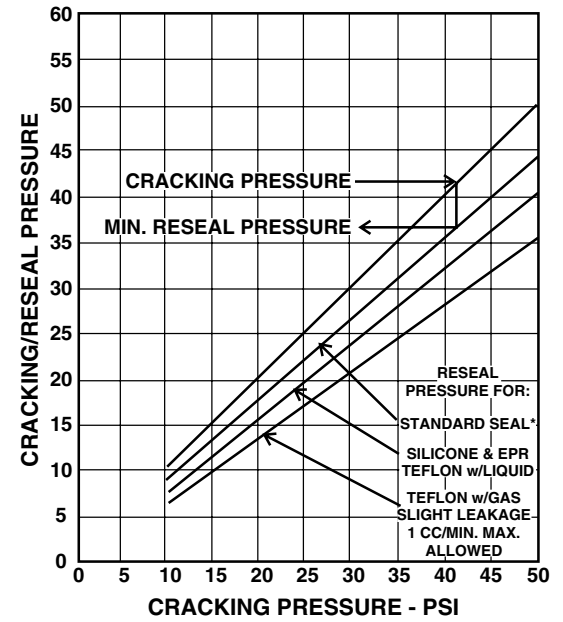

LEAKAGE at Reseal Pressure

All Elastomeric seals - Zero
 Teflon® - 1cc/min for cracking pressures 2.5 PSI & higher

0 to 10 PSI

10 to 50 PSI

50 to 140 PSI

* STANDARD SEALS:
 Buna N (559)
 Viton® (532)
 Neoprene (533)

How to Order

Notes:

D – Prefixed Part Number is supplied with a cap which diverts high pressure blasts from personnel and instruments, and serves as a rain and dust shield (NOT RECOMMENDED FOR CRACKING PRESSURES BELOW 2 PSI).

* Not available over 74.9 psi.

** 520 - Teflon® or o-ring

** K520 - Polished Teflon® o-ring, cryogenic testing and serialization

** 580 - Polished Teflon® o-ring

ASME valves are covered on a separate catalog sheet.

Teflon® and Viton® are registered trademarks of Dupont.

Please consult your Circle Seal Controls Distributor or our factory for information on special connections, operating pressures and temperature ranges.

Repair Kits

In normal service the only part(s) which may require replacement is(are) the seal(s). A repair kit may be ordered by placing a K/ in front of the complete part number, (i.e. K/559A-2M-10).

For Your Safety

It is the sole responsibility of the system designer and user to select products suitable for their specific application requirements and to ensure proper installation, operation and maintenance of these products. Material compatibility product ratings and application details should be considered in the selection. Improper selection or use of products described herein can cause personal injury or property damage.
